

Cargobull Parts & Services: For safer calculations

You are always safe on the road with Cargobull Parts & Services and the Full Service Contract.

- Six-monthly service checks: including the replacement of all consumable parts as well as carrying out the general inspection (HU) and SP at one of more than 880 authorised service partners throughout Europe.
- No unplanned costs and a higher value retention. You pay a fixed and reasonable monthly flat rate.
- No circuitous routes: Due to the wide network of partners, you are simply able to plan all required measures on your route.
- No long waiting periods: using our portal, you can select from more than 35,000 original spare parts.
- Always available under www.cargobull-serviceportal.com
- 24 h/365 days, the breakdown service from Cargobull Euroservice.

Cargobull Parts & Services – Direct. Fast. Reliable.

Cargobull Value Added Services: For efficiency that goes far beyond the trailer

With the Value Added Services from Schmitz Cargobull you additionally upgrade your fleet which allows you to handle more flexibly, safely and economically.

Many options are made available to you: from purpose-orientated financing to comprehensive spare parts service and a highly modern Telematics technology up to a large number of second-hand vehicles for your requirements.

We would be happy to consult you.

Services

Technology

**Cargobull Finance:
For more financial leeway**

**Cargobull Telematics: For the efficient
processing of your orders**

**Cargobull Trailer Store: for the purpose-
orientated second-hand vehicle requirements**

The flexible Cargobull Financing has been especially tailored to your requirements.

- More financial freedom of action: simply select between cash payments, hire-purchase or leasing.
- Always advantageous conditions: you keep your liquidity for other important business decisions.
- Europe-wide insurance performance with the insurance package from Cargobull Finance: Comprehensive service, e. g. all the costs incurred in repairing your vehicle are taken on in case of unforeseeable damage.

**Cargobull Finance:
Individual. Flexible. Safe.**

With Cargobull Telematics, you are always informed about the goods loaded as well as the location and the status of your trailer.

- Prevent waiting times: You can react quicker and initiate preventive repairs and measures.
- Find out any irregularities immediately: You are able to find out about potential damage to the goods or theft through the permanent monitoring of the loading and the vehicle door using Telematics.
- Fast and uncomplicated data transfer: You receive all information on your computer or mobile telephone via GPS and GSM. All data is simply integrated in your disposition software using an API interface.
- Safety for you and transparency for your customers: Each trip is documented without gaps.

Cargobull Telematics – Without gaps. Reliable. Europe-wide.

Select from more than 1,600 second-hand commercial vehicles in 18 Cargobull Trailer Stores. Second-Hand – First-Class.

- Just the right vehicle for your requirements: Profit from our Europe-wide networked databases. You will find models from different manufacturers, exclusively in certified quality.
- Best possible price performance ratio, purpose-orientated financing: we consider all of your requirements and possibilities.
- Quick processing: you receive an individual offer within one day.
- Avoiding empty runs: through our numerous Trailer Stores throughout Europe, you are able to include purchasing and selling in planned tours without any problem.
