

The Cargobull Euroservice is used as follows

1. One call – Always there for you!

In case of a breakdown, just ring
00800 24 CARGOBULL (00800 24 227 462 855).

2. Your service co-ordinator will help.

You will be connected with a Cargobull Euroservice co-ordinator who speaks your language. **Important:** Please have the following data ready: Chassis number, registration number, location, telephone number and address of the company as well as name and mobile telephone number of the driver.

3. Help is on the way.

- Cargobull Euroservice searches for a suitable service partner near to you and informs you when the breakdown service should arrive.
- The service partner contacts you before driving off to question you about the first damage assessment to be able to prepare spare parts that may be required.
- Cargobull Euroservice keeps all participants up-to-date about the status of the work on a regular basis.

4. After receiving help:

The mechanic on location informs Cargobull Euroservice that the repair has been completed and of the work performed.

Trailer

Services

Technology

Always there for you – throughout Europe 24-hour breakdown service on 365 days a year

Cargobull Euroservice is the **European-wide 24-hour breakdown service** from Schmitz Cargobull for the complete trailer, including tyres, refrigeration units and tail lifts.

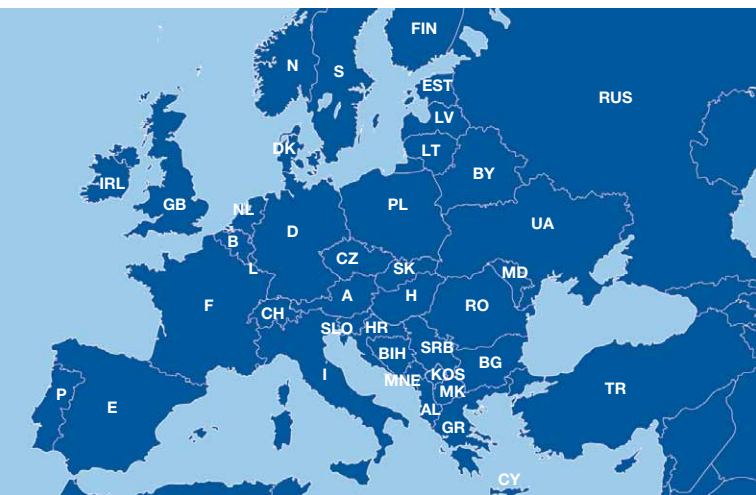

All Schmitz-Cargobull customers are given 24-hour breakdown support on 365 days a year throughout Europe under the toll-free service hotline **00800 24 CARGOBULL**, which is the equivalent of calling **00800 24 227 462 855**.

- The driver can communicate with the service co-ordination in their own language.
- Central organisation for quick processing.

200,000 workshops in 40 countries – quick and safe help everywhere

- Contact partner in 40 countries in 29 languages with a comprehensive service programme that goes way beyond the actual emergency breakdown call itself.
- Trained technical personnel at more than 1,200 authorised Schmitz Cargobull service partners and in another 200,000 contracted workshops throughout Europe.
- Comprehensive trailer breakdown assistance: Towing away and recovery, all-round service for tyres, refrigerating units, axles, electronics / electrics.
- Legal and accident investigation advice.
- Replacement vehicles and replacement drivers.

Schmitz Cargobull full service customers enjoy a special advantage: The full service contract includes in a monthly lump sum a **guarantee of payment** for vehicles affected by a breakdown.
