The Benefits at a Glance:

- Body with POWER CURTAIN
- Tyre pressure monitoring system and coupling sensor
- TrailerConnect® telematics hardware
- Full Service trailer
- Full Service tyres
- TrailerConnect® telematics service
- Financing*
- Higher residual value when the semi-trailer is returned to the Cargobull Trailer Store
- Special equipment, included as standard, in conjunction with Schmitz Cargobull's comprehensive service portfolio, make the S.CS curtainsider semi-trailers with the SMART PLUS package the perfect transport solution to meet your needs

* Optional.

Trailer: Our current generation of curtainsider and platform semi-trailers is the result of decades of experience, constant innovation and extensive knowledge of our customers' needs. Individual customer trailers are produced in precise series manufacture based on a sophisticated product module with up to 13.2 million options.

Equipment: Body without laths, with POWER CURTAIN, aramid-reinforced high-performance tarpaulin for quicker loading and unloading, tyre pressure monitoring system for more mileage and CTU3 telematics control unit fitted ex works, including battery and coupling sensor for monitoring via TrailerConnect®.

Full Service trailer: Covers service and maintenance costs, replacement of all wearing parts at over 1,700 Service Partners, as well as Europe-wide breakdown cover with payment guarantee and handling by Schmitz Cargobull. The contract includes unlimited mileage (km).

Full Service tyres: New premium brand tyres, tailored to your needs, whether local or long-distance transport, with more than 2,500 Service Partners in Europe. Europe-wide breakdown service with payment guarantee and handling by Schmitz Cargobull. The SMART PLUS package fully covers all replacement costs for worn tyres and flat tyres including vandalism.

Trailer telematics: Speedy access to the TrailerConnect® Alert telematics service with modules Position Data, Geo (High Precision Location), Route Monitoring and Analysis and event management for individual alarm configuration and documentation.

Financing:** Competitive monthly rates, inclusive of all servicing costs to maximise trailer's residual value. Tailored contracts with customised durations.

Optimum Availability

Complete Solution for all Schmitz Cargobull Curtainsider Semi-Trailers*

The SMART PLUS package for all the latest S.CS curtainsider semi-trailers combines outstanding equipment with a comprehensive Full Service offering, plus trailer telematics. Financing is also available on request.

The S.CS UNIVERSAL SMART PLUS and other standard models are also available quickly. Delivery is possible within only 18 hours depending on the configuration – ideal for requirements at short notice.

* The SMART PLUS package is available for the S.CS UNIVERSAL and the S.CS MEGA. It also includes the equipment options for coil and paper transport, for all types of X-LIGHT configurations and the latest models of platform semi-trailers S.PR.

TrailerConnect® telematics hardware

GENIOS generation chassis:
for the S.CS UNIVERSAL and S.CS MEGA

Coupling sensor

Glued floor

Tyre pressure monitoring system

Premium brand-name
manufacturers' tyres

POWER CURTAIN body: The high-strength tarpaulin with built-in aramid fibres and wire inserts no longer needs support laths or lath brackets, which reduces loading and unloading times as a result.

Coupling sensor: The tractor unit can be reliably identified by monitoring the supply pressure to the brakes. TrailerConnect® in the trailer is based on the CTU3 telematics unit which acts as the central control unit.

Tyre pressure monitoring system: Decreases tyre wear, lowers fuel costs and reduces the risk of a breakdown.

Full Service trailer and tyres: Highest-quality service, improved value retention, reliable cost planning and reduced administrative overheads.

Transparent information: Thanks to the TrailerConnect® Alert data service for location, safety and equipment monitoring – all included in the package.

Tailored financing solutions: From industry experts, irrespective of the company bank, including GAP cover.
