

Full Service & Protection

The unique combination of service and insurance

The Full Service & Protection contract offers comprehensive protection for your trailer, including damage caused by force. You benefit from full protection and maximum predictability. Cost control and calculation security with a single instalment.

Insurance cover and claims management from a single source.

The Full Service contract covers the costs of maintenance and wear and tear. Damage caused by force as well as own and third-party fault are covered by the „Protection“ insurance. We maximise your trailer uptime with immediate repair approval up to €15,000 and ensure that your trailer is ready for use quickly.

Full services that are rightly called that

You have full cost control at fixed rates. The full services for trailers, cooling units and tyres can be freely combined with each other and with Protection.

- Statutory approvals and certificates
- Regular service checks and compliance with maintenance specifications
- Replacement of wearing parts including chassis, electrics, lights, telematics hardware, body, brand tyres
- Compensation for punctures including damage caused by force
- Maintenance, servicing and repair including labour and material costs
- For S.CU cooling units: Proactive Monitoring
- 24/7 Europe-wide breakdown service
- Processing and invoicing via Schmitz Cargobull
- Customer service in local language
- Vehicle file with complete service history

Fully concentrate on your business with “Protection”

“Protection” insurance with all-risk cover comprehensively covers damage caused by violence as well as own and third-party negligence. Coverage includes:

- (Road) accident damage
- Operating errors, clumsiness
- Damage caused intentionally by third parties (sabotage, wilful damage/destruction)
- Theft, burglary, robbery
- Short circuit, overcurrent or overvoltage
- Failure of measuring, control or safety equipment
- Lack of water, oil or lubricant
- In the event of fire, lightning strike, explosion
- Storm, frost, ice, earthquake, flooding (forces of nature and natural hazards)
- Siltation or silting on hydraulic engineering sites
- Damage during tunnelling or underground work
- Damage during the ferry transport
- Air freight costs up to € 5,000
- Impact or crash of an aircraft, its parts or its cargo
- Damage caused by civil unrest
- Consequential damage due to breakdowns, maintenance and repairs
- Compensation for new value up to 12 months after initial registration
- GAP Cover
- Clean-up, salvage, decontamination and disposal costs up to € 15,000
- Movement and protection costs up to € 10,000
- Decontamination and disposal costs for soil up to €10,000

Better insured – “Protection” with all-risk cover.

The benefits in direct comparison to comprehensive insurance. Comprehensive insurance with all-risks cover is significantly more powerful than classic partial and fully comprehensive insurance.
